

Technical Data Sheet

Silicone Lubricant

Part Number 4603

Unit UPC 039101046037

Case UPC 039101146034

Johnsen's Silicone Lubricant is a multi-purpose penetrant and lubricant. Johnsen's Silicone Lubricant is a blend of fast acting penetrating solvent that evaporates and leaves a thin transparent silicone protective film. This heavy duty, thick viscosity silicone is specially formulated to provide extra lubricity, slipperiness and friction reduction not available with competitive brands. Noticeable squeaks are silenced by friction-reducing lubricants. Lubricates and prolongs the life of weather stripping on hoods, trunk lids, doors and windows.

Physical Information

Flash Point	15°F
Boiling Point	195°F
Specific Gravity	.69
Appearance	Colorless Liquid
Odor	Mild
Flammability	Yes
Plastic Safe	Yes
Propellant	A85

Shipping Information

Unit Weight	14.4oz
Fill Weight	10oz
Units per Case	12
Case Weight	10.85lbs
Case Cube	.48
Cases Per Layer	18
Cases Per Pallet	72
Pallet Weight	781.2 lbs
DOT Proper Shipping	Consumer Commodity

Regulatory Information

VOC %	59%
VOC category	VOC Compliant
Compliant for CA	Yes
